

Mastering our Math Facts

Dear Hendry Park Families,

This letter is to inform you that students are now earning a Math Medal when they master an entire operation!

Addition = Math Medal + **Red** Neck Ribbon

Subtraction = Math Medal + **Black** Neck Ribbon

Multiplication = Math Medal + **Yellow** Neck Ribbon

Division = Math Medal + **White** Neck Ribbon

When students master an operation, their names will be announced over the morning announcements, and they will receive their medals. Students are welcome to wear their Math Medals at *any* time. We will also have a monthly day of celebration when students can wear *any* medal they have earned (i.e. Math Medal, Good Citizenship Award medal, etc.). The first day of celebration will be this **Friday, October 31, 2014**... so wear your medals to school!
